March 15, 2024

### ALL MEMBERS

Asian Association of Veterinary Anatomists

Dear Members:

Warmest greetings!

We are delighted to invite you to the "9<sup>th</sup> Congress of Asian Association of Veterinary Anatomists" which will be held on October 24-25, 2024, at SEARCA Hall, University of the Philippines – Los Baños, Laguna, Philippines with the theme "**Overcoming the Challenges in Veterinary Anatomy Education During and Post-COVID 19 Pandemic**". The two-day event will be a gathering of educators and researchers in veterinary anatomy within Asia. The said conference aims to develop a tradition of scientific assemblage among national and international veterinarians, veterinary faculty, scientists, and researchers in the field of anatomical science, education, and research. Moreover, it serves as a platform for knowledge sharing that unlocks opportunities on professional collaboration with other countries, future networking, and establishment of a competency-based learning during and post-COVID 19 pandemic.

Furthermore, the conference fee is **\$200.00** for veterinarians and **\$100.00** for students. The fee includes the conference kit and meals during the said event. However, the accommodation is not included; hence, we are providing you the list of nearby hotels or suites within the conference location ([https://drive.google.com/drive/folders/1OZm9wMbScPLXLQe4OHExDa2kC7VfQ4kX?usp=drive\\_link](https://drive.google.com/drive/folders/1OZm9wMbScPLXLQe4OHExDa2kC7VfQ4kX?usp=drive_link)).

**Because of limited slots for the congress, we highly encourage you to pre-register by sending us a conformation email at [pava.secretariat@gmail.com](mailto:pava.secretariat@gmail.com) containing the following information (name, email address, food restrictions if any and expected date of arrival and departure) as soon as possible.**

Should you need more information and clarification regarding the aforementioned congress, please do not hesitate to contact us through this email [pava.secretariat@gmail.com](mailto:pava.secretariat@gmail.com). For concerns regarding scientific paper/poster submission, you may directly contact us through this email [9thcongressaava@gmail.com](mailto:9thcongressaava@gmail.com).

Thank you very much and we look forward to seeing you at the conference.

Sincerely,

**Ceferino P. Maala, DVM, Ph.D.**

President, Philippine Association of Veterinary Anatomist
